

Butterfly I SPY

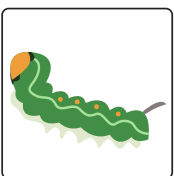

Insect I SPY

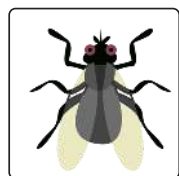

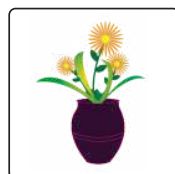

FLOWERS I SPY

A collection of 25 stylized tree illustrations arranged on a white background. The trees vary in shape and size, including deciduous trees with rounded or weeping canopies and coniferous trees with pointed tops. The colors are primarily green for the foliage and brown for the trunks. The trees are scattered across the frame, some appearing in small groups and others as single specimens. The style is simple and graphic, suitable for use as assets in a digital environment.

SUN I SPY
